## Notice of Possible Fee Increase on October 1, 2002

If a reply to a "Notice of Allowance and Fee(s) Due" is filed in the Office on or after October 1, 2002, then the amount due may be higher than that set forth in the "Notice of Allowance and Fee(s) Due" since there may be an increase in fees effective on October 1, 2002. See Revision of Patent and Trademark Fees for Fiscal Year 2003: Notice of Proposed Rulemaking, 67 Fed. Reg. 30634, 30636 (May 7, 2002). Although a change to the amount of the publication fee is not currently proposed for October 2002, if the issue fee or publication fee is to be paid on or after October 1, 2002, applicant should check the USPTO web site for the current fees before submitting the payment. The USPTO Internet address for the fee schedule is: <http://www.uspto.gov/main/howtofees.htm>.

If the issue fee paid is the amount shown on the "Notice of Allowance and Fee(s) Due," but not the correct amount in view of any fee increase, a "Notice to Pay Balance of Issue Fee" will be mailed to applicant. In order to avoid processing delays associated with mailing of a "Notice to Pay Balance of Issue Fee," if the response to the Notice of Allowance and Fee(s) due form is to be filed on or after October 1, 2002 (or mailed with a certificate of mailing on or after October 1, 2002), the issue fee paid should be the fee that is required at the time the fee is paid. If the issue fee was previously paid, and the response to the "Notice of Allowance and Fee(s) Due" includes a request to apply a previously-paid issue fee to the issue fee now due, then the difference between the issue fee amount at the time the response is filed and the previously paid issue fee should be paid. See Manual of Patent Examining Procedure, Section 1308.01 (Eighth Edition, August 2001).

Questions relating to issue and publication fee payments should be directed to the Customer Service Center of the Office of Patent Publication at (703) 305-8283.

## DETAILED ACTION

The amendment filed 11/25/02 is acknowledged.

### ***Allowable Subject Matter***

Claims 21-37 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art does not disclose a stroller having an inclination locking means including a first and second locking member wherein the first locking member is affixed on a respective side supporting unit adjacent to a back support <sup>9</sup>~~of~~ the stroller and the second locking member is affixed on the side supporting unit adjacent to the construction bar, wherein a sliding locker is adapted to lock up the first and second locking elements and wherein the sliding locker normally locks up two bottom ends of the first and second locking members and is arranged in such a manner that when the sliding locker is slid upwardly, the first and second locking members are fittingly engaged with each other;

Wherein each of the inclination locking means is a zipper;

And wherein the adjustable seat back arrangement of the stroller includes a reinforcing strap having a predetermined width for securely affixing the inclination locking means on the side supporting unit wherein the reinforcing strap has a vertical edge portion firmly affixed to the side supporting unit.

A combination of these and other limitations have not been reasonably found in the prior art.

Art Unit: 3618

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
